

CG100AS  
Adaptor Socket  
(UK)

CG100ASCN  
Adaptor Socket  
(China)

CG201AS  
Adaptor Socket  
(USA)

## Description

- ZigBee wireless remote control.
- Based on IEEE 802.15.4.
- 2.4GHz radio frequency.
- DIY, plug and play.
- AC 220V 13A for UK/ China version.
- AC120V 10A for USA version.
- LED indicator for on/off status.
- Local on/off button
- Support iPhone, iPad and Android mobile control if CG102BS Base Station is purchased.
- No EIB / Bus required
- Easy to install.

Specifications	
Input	AC220V-240V, 50HZ ( UK, China) AC114V-126V, 60HZ ( USA)
Loading	13A ( UK, China) 10A (USA)
Functions	Remote control ON/OFF
Range	100 M ( line of sight ), ZigBee Mesh Network
Length	97 mm
Width	69 mm
Height	62 mm
Operating temp.	0 °c – 40 °c
RoHS (2002/95/CE) Bidirectional ZigBee ® chipset Standard IEEE 802.15.4 - 2,4 GHz / AES 128Bit Warranty 1 Year
