

CG100SK
AC Socket
(UK)

CG100SKCN
AC Socket
(China)

CG201SK
(USA)

Description

- ZigBee wireless remote control.
- Based on IEEE 802.15.4.
- 2.4GHz radio frequency.
- Embedded type AC socket
- AC 220V, 13A load for UK, China
- AC120V, 10A load for USA version
- LED indicator for on/off status.
- Local on/off button
- Support iPhone, iPad and Android mobile control if CG102BS Base Station is purchased.
- No EIB / Bus required
- Easy to install.

Specifications	
Input	AC220V-240V, 50HZ (UK, China) AC100-120V, 60HZ(USA)
Loading	13A (UK, China) 10A (USA)
Functions	Remote control ON/OFF
Range	60 M (line of sight), ZigBee Mesh Network
Length	115mm
Width	87 mm
Height	48 mm
Operating temp.	0 °c – 40 °c
RoHS (2002/95/CE) Bidirectional ZigBee ® chipset Standard IEEE 802.15.4 - 2,4GHz / AES 128 Bit Warranty 1 Year
